

Military competition “CIOR MADRID 2016” will be held in the Base “Príncipe”, a modern facility home of the Paratrooper Brigade “Almogávares VI” with excellent communications. It is located in Route M-108, km. 4,4 of the town of Paracuellos de Jarama, at 26 km from Madrid, and 10 km from the airport. Its GPS coordinates are 40.492197 - 3.479791.

The events of the CIOR Military Pentathlon are:

**Rifle and handgun shooting:** Competitors will shoot with the infantry standard weapons (pending confirmation, CETME L rifle and HK handgun) of the host country to objectives located at 25 meters and 100 meters from the fire line. The course of fire with both weapons consists in a precision phase and a quick shooting phase. Instruction training will be held as to acquaint competitors with the weapons, an official training and the final competition.

**Track range:** A normalized track range of 500 meters with 20 obstacles, to be done with a military combat uniform with free election of footwear. Teams are authorized to help themselves mutually as the last team members marks the total time.

**Obstacle swimming pool.** Upon a distance of 50 meters with five obstacles, competitors will use military uniforms of the host country without boots.

**Orientation march:** In a location to be determined will be held the military orientation march in which teams must complete a cross-country distance of 12 to 14 km on an unfamiliar terrain in combat uniforms with weapons. Furthermore, teams will have to perform additional tasks, such as tossing inert grenades or perform first aid.

To unite in a single location all events makes transport and logistics easier and provides well-being and comfort to competitors.

Teams accommodations will be at the “Academia de Ingenieros del Ejército” (ACING), located in Hoyo de Manzanares (Madrid). Carretera de Torreloz, km 14. GPS coordinates: 40.629706 - 3.875556. This unit is the training center for Officers and NCOs from the Engineering branch of the Army, and is located at 60 km from Paracuellos del Jarama, at 52 km from the airport and at 38 km from Madrid.
